When maintenance team visits ...

Because of covid-19 impact, all shipping delivery is getting delayed.

It will take extra days or weeks to take care of each maintenance.

We only accepting maintenance related with lifeline during covid-19.

For prevent the infection, we're asking all tenants for cooperate to following steps when maintenance team visit.

1. **Give us permission for enter or**
keep social distance with workers if you can't wear masks.
2. **Leave couple windows open before they arrive premises.**

Thank you for your understanding.
